

DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments are requested regarding whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments regarding this information collection received by [INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER] will be considered.

Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website

www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting

"Currently under 30-day Review - Open for Public Comments" or by using the search function

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Food Safety and Inspection Service

TITLE: Imported Undenatured Inedible Product and Samples for Laboratory Examination, Research, Evaluation Testing or Trade Show Exhibition

OMB CONTROL NUMBER: 0583-0161

SUMMARY OF COLLECTION: The Food Safety and Inspection Service (FSIS) has been delegated the authority to exercise the functions of the Secretary as provided in the Federal Meat Inspection Act (FMIA) (21 U.S.C. 601 et seq.), and the Egg Products Inspection Act (EPIA) (21 U.S.C. 1031 et seq.). These statutes mandate that FSIS protect the public by ensuring that meat and egg products are safe, wholesome, unadulterated, and properly labeled and packaged. FSIS uses the forms under this collection to identify and keep track of product not subject to FSIS import reinspection requirements. Foreign governments are to petition FSIS for approval to import undenatured inedible egg products into the United States.

NEED AND USE OF THE INFORMATION: FSIS will collect the information from firms using form FSIS 9540-4, "Permit Holder – Importation of Undenatured Inedible Products" for the undenatured inedible product that they are importing into the United States and form FSIS 9540-5, "Notification of Intent to Import Meat, Poultry, or Egg Products - Samples for Laboratory Examination, Research, Evaluative Testing or Trade Show Exhibition." FSIS will use the information on the forms to keep track of the movement of imported undenatured inedible meat and egg products. If the information is not collected it would reduce the effectiveness of the meat and poultry products inspection program.

DESCRIPTION OF RESPONDENTS: Business or other-for profit

NUMBER OF RESPONDENTS: 211

FREQUENCY OF RESPONSES: Reporting: One time

TOTAL BURDEN HOURS: 9.489

Dated: May 11, 2022.

Ruth Brown,
Departmental Information Collection Clearance Officer.
